

HAVE A PARTY

at GARDENWORKS

YES, we do Kid's Birthday Parties!

Pick a project and watch your kids bloom. Cost includes all materials and instruction. Additional plants and embellishments will be available for purchase.

Time: approximately 90 - 120min (1 hour for project and 1 hour for food and gift time) We provide the instruction, table covers and cleanup. You provide the kids, food and utensils and decorations (*please note we do not allow helium balloons without weights).

No minimum, max 20 children unless noted otherwise. No deposit required at this location.

BIRTHDAY PROJECTS - *prices are per child and per project*

NEW PRICES BELOW IN EFFECT STARTING APRIL 1ST, 2020

Potted Desert Gardens **\$18**

In a 14 cm terracotta or granite azalea pot, party guests select a succulent or cactus to plant up a mini desert.

Succulents in a Jar **\$16**

Create colourful miniature terrariums with floral sand and succulents.

Twiggy Fairy Furniture **\$15**

Create fun twiggy additions for your fairy gardens: slides, bridges, even a little stone wishing well. Each guest will construct one or more of the options to take home to their gardens, depending on age and ability. This party is limited to 10 participants ages 6 & older.

Sea to Sky Gardens **\$20**

Party guests will choose a small native plant, and embellish with stones, twigs, logs as seen on the many hikes around the Lower Mainland. For kids ages 8 and up.

Dinosaur Gardens **\$16**

Create your very own miniature landscape for your prehistoric creature using an assortment of pebbles, sand and lava chips. These gardens are made in a 10" saucer.

Enchanted Fairy & Gnome **\$16***

Boys and girls love this garden! Create an enchanting garden using an assortment of pebbles, mosses, twigs, branches and an indoor tropical plant of choice. This garden is made in a 10" saucer.

* A variant of this garden is the Fractured Pot Fairy and Gnome. As above set in a broken terracotta pot. \$20 per child/per project, for kids 8 years old and up.

Unicorn Pots **\$13**

Designed for the younger crowd, each party guest decorates a terracotta or 'granite' pot and little unicorn horn using markers and stickers, selects and plants an indoor tropical plant.
