

# Holiday decorating & gift giving

## Poinsettias

Poinsettias are traditional Christmas plants perfect for decorating or gift giving. Choose red, white, or pink to accent your décor.

## Elegant Orchid Planter

Orchids are fast becoming the new rose of gift giving, easy to care for with flowers that last for months. Orchids add an exotic elegance to any office or home. This show stopper is decorated with Christmas greens and trims.

## Holiday Splendour

An impressive Holiday Poinsettia Planter accented with festive greens, branches, and trims planted in a beautiful Grapevine Self Watering Pot. These containers are the perfect solution after Christmas to create a low maintenance planter for your office or home.

## Amaryllis Planter

Amaryllis are the queen of winter flowering bulbs and are one of the season's most striking blooms. This stunning planter is filled with fresh greens and branches and your choice of red or white Amaryllis. It will add instant glamour to your home or office.

## Winter Accent Planters

Create a festive atmosphere at the front entrance of your store, office, or home. Our expert designers will create a planter custom made for you, or you can choose from one of our designs filled with fragrant evergreen boughs and accented with colourful branches, berries, exotic cut flowers and greens.
