- 1. **PRUNERS AND LOPPERS** The right tools to prune and trim!
- 2. **HERB GARDENS** An easy way to move between the garden & the barbeque! Rosemary, Sage, Oregano, Spearmint and Basil are cooking favourites. Throw in some Mojito mint just for drinks!

4

- 3. **GARDEN GLOVES** Protects hands while in the garden. Men & women's styles available.
- 4. **SUCCULENTS** For indoors and out; captivating foliage & low maintenance requirements make succulent gardens a favourite.

9

- 5. **EZ UP** This simple tool makes getting up from weeding or planting easier.

- 6. **WATERBOWLS AND BAMBOO SPITTERS** The sound of running water is a classic de-stresser.

- 7. **BIRDBATHS AND FEEDER** Place favourite spot in the garden for the birds.

- 8. **JAPANESE MAPLES** Dozens of varieties to choose from featuring interesting form and foliage. Great for growing in containers. Many are collector's items!

- 9. **PEPPER PLANTS** Hot Peppers are especially popular for summer time!

- 10. **BONSAI** Ficus for indoors, Japanese Maples and Japanese Juniper for outside. Or choose a pot and plant and create your own!

- 11. **SUNBLASTER** Brighten someone's day!

- 12. **GARDENWORKS GIFT CARDS** Available in-store or online.
