1. **PRUNERS AND LOPPERS** Dads love to prune and trim! Give him the right tools!

2. **HERB GARDENS** An easy way for Dad to move between the garden & the barbeque! Rosemary, Sage, Oregano, Spearmint and Basil are barbeque favourites. Throw in some Mojito mint just for drinks!

3. **GARDEN GLOVES** Protect Dad's hands while in the garden. He will love you for it!

4. **SUCCULENTS** For indoors and out; captivating foliage & low maintenance requirements make succulent gardens a favourite with Dad.

5. **EZ UP** This simple tool makes getting up from weeding or planting easier for Dad.

6. **BIRDBATHS AND FEEDER** Placing a one near Dad's favourite place in the garden is a stress reliever.

7. **JAPANESE MAPLES** – dozens of varieties to choose from featuring interesting form and foliage. Great for growing in containers. Many are collector's items!

8. **PEPPER PLANTS** Peter Piper must have been a father! Hot Peppers are especially popular!

9. **BONSAI** Ficus for indoors, Japanese Maples and Japanese Juniper for outside. Or choose a pot and plant and let Dad create his own bonsai!

10. **GARDENWORKS GIFT CARDS** Available in-store or online.
